**Subject:** Addressing Discipline Issues in Class

Dear Parents,

Greetings from S.N.G.C.S!

We wish to draw your attention to an important issue that is increasingly affecting our classrooms. It has been observed that some students are continuously talking to each other during teaching hours, leading to **frequent disruptions**. This not only consumes valuable teaching time but also impacts the learning experience for all students.

To address these concerns and maintain a focused, respectful learning environment, we have decided to keep you better informed. Moving forward, parents will receive notifications via the class WhatsApp groups if their child is **repeatedly misbehaving** or **disturbing the class**. Our intention is not to single anyone out, but rather to work in partnership with you to help every student understand the importance of discipline and respect in the classroom.

We kindly request you to view this step positively, as our shared goal is to ensure the best possible academic experience for each child. We deeply appreciate your **support in reinforcing** these values at home.

Thank you for your understanding and cooperation.

Warm regards
