As part of our commitment to environmental conservation, the school will be conducting an **E-Waste Drive** along with an awareness session on **Wednesday, 13th August, 2025** for **grade VI- VIII**. Students are encouraged to bring e-waste items from home for safe and responsible disposal.

E-Waste may include old:

- Computers
- Laptops
- Mobile phones
- Chargers
- Television screen
- Small household appliances
- Electronic toys
- Clothing irons

We seek your kind cooperation in motivating students to actively participate and develop a sense of responsibility towards safeguarding our environment.
