Dear Parents and Students,  
Greetings from S.N.G.C.S.!

At SNGCS, we aim to foster healthy competition and build a strong sense of team spirit among students through our House System. This year onwards, the school has been carefully recording and maintaining house points earned through various competitions.

We are pleased to share the House Points status for the Academic Year 2025-26, based on the points accumulated up to **October 2025**:

- **Blue House – 209 points**
- **Red House – 176 points**
- **Green House – 116 points**
- **Yellow House – 89 points**

**Blue House is currently leading with the highest score.**

We congratulate all the students for their enthusiastic participation and encourage everyone to continue giving their best in upcoming events.

Warm regards
