

SUBJECT: Concern Regarding Increasing Absenteeism (VI-IX)

Dear Parents,

Greetings from S.N.G.C.S.!

We would like to bring to your attention that a concerning trend of absenteeism has been observed among our secondary students. It appears that many students are taking leaves for trivial reasons. We also believe that some parents may be too lenient with their wards regarding attendance.

Please understand that frequent absenteeism can significantly impact students' understanding of concepts and may lead to a backlog of pending work. We strongly encourage that students attend classes regularly and only take leave in case of emergencies.

We wish to inform you that if a student is absent for more than two days in a month, parents will be contacted and asked to provide a written explanation for the absences.

We appreciate your cooperation in this matter and request your continued support in promoting discipline and responsibility among our students.

Attendance Summary for 13th June 2025 (Friday):

Class & Div.	No. of students absent
VI A	7
VI B	5
VI C	10
VI D	8
VII A	10
VII B	10
VIII A	5
VIII B	9
IX A	10
IX B	8

We seek your support in curbing this trend and ensuring your child's regular attendance for their academic well-being.

Warm Regards,
Deepa Jayaroy
