SUBJECT: Parking Guidelines for Parents

Dear Parents,

Greetings from S.N.G.C.S.!

This is to inform you that parking of parents' vehicles inside the school campus is strictly not permitted, as there are no designated parking areas available. The open spaces within the campus are reserved for students' play and other educational activities.

We kindly request you to cooperate with our security personnel, who are strictly following instructions issued by the school management. We urge you to treat them with courtesy, as they are carrying out their duties to ensure the safety and smooth functioning of the campus.

Your support and understanding are essential in helping us maintain a safe and organized environment for our students.

Thank you for your cooperation.

Warm regards,

Deepa Jayaroy

Principal
